Community Engagement Overview

Gloria Care Haven LLC — DBHDS-licensed, Medicaid provider of Non-Center-Based Day Support / Community Engagement services for adults with developmental disabilities.

What It Is

Community Engagement is a Virginia DD Waiver service that supports adults with developmental disabilities to take part in meaningful activities in their own community — not inside a center or facility.

Goals

- Community participation and belonging
- Greater independence and everyday skills
- Social connection and relationships
- Activities that reflect personal interests and goals

Where Services Happen

- Parks, recreation centers, and gyms
- Libraries, museums, and cultural events
- Cafés, restaurants, and stores
- Volunteer opportunities and community events

How It Works

- Activities are chosen with the individual, based on their plan.
- Small, individualized support from trained staff.
- Door-to-door transportation is provided.
- Progress toward ISP outcomes is documented and shared with the Support Coordinator.

Who May Be Eligible
